PROCOOL®

CREATIVE COOLING SOLUTIONS

Why Us?

Low Cost

As a commercial refrigerator manufacturer ourselves,
most of our parts are made in-house, not out-source.

Quality Secured

We are not just a company selling accessories.
These parts and materials are also used for our own products.
We guarantee quality so as not to jeopardize our business. Also yours.

Technical Support

One-stop solution with a strong R&D team to meet all your needs
like drawings, design, customization, etc.

Illuminated Logo Glass Door

LCD Screen Door

Features

✓ 2 Layers of Tempered Glass + 1 Layer of LCD Transparent Screen (For Coolers 2 ~ 8 °C)
✓ 1 Layer of Electric Heated Glass + 1 Layer of LCD Transparent Screen + 1 Layer of Tempered Glass (For Freezers ≤ -18 °C)
✓ You Can See Inside Products through the Transparent Screen While the Video Is Playing
✓ Bright LED Lighting
✓ Magnetic Door Seal

Options

✓ Standalone Version / Online Version for the Screen Operation
✓ Transparent / Non-Transparent Screen
✓ Custom Material & Style for Door Frames
✓ Custom Door Handle

Size

✓ 15" / 21.5" / 32" / 44"

Applications

✓ Display Coolers & Freezers

Heated Glass Door

✓ 1 Layer of Electric Heated Glass + 2 Layers of Tempered Glass (For Freezers ≤ -18 °C)
✓ Even Temperature Effectively Solving the Condensation on the Glass Door
✓ Heating Temperature Can Be Customized According to Your Requirements
✓ Magnetic Door Seal

Options

✓ Custom Material & Style for Door Frames
✓ Custom Door Handle

Applications
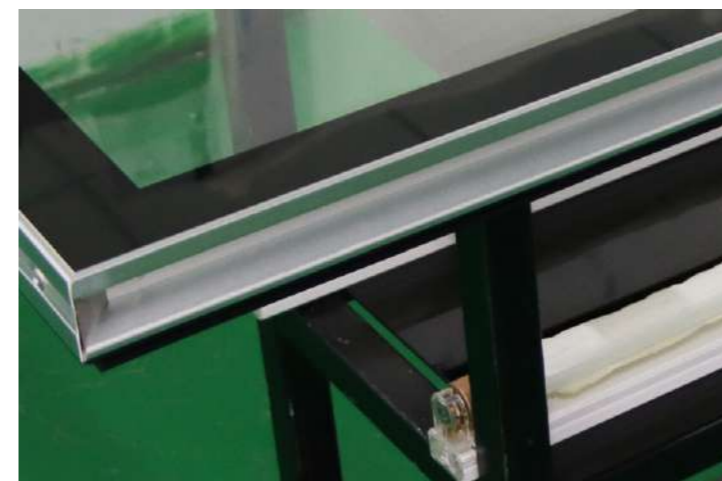

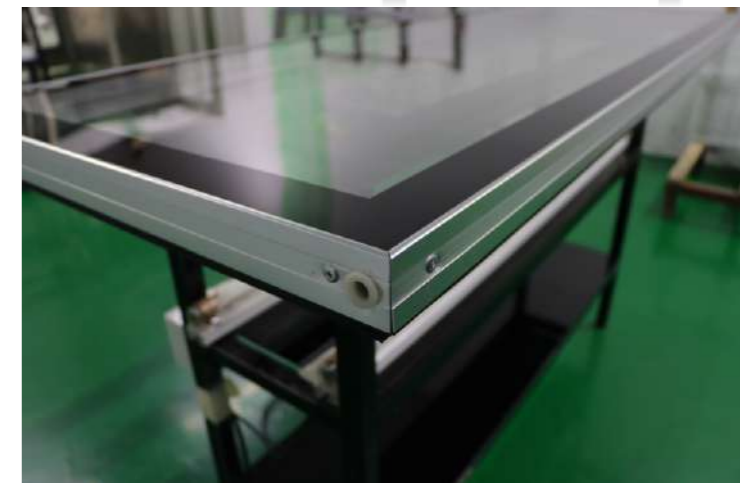

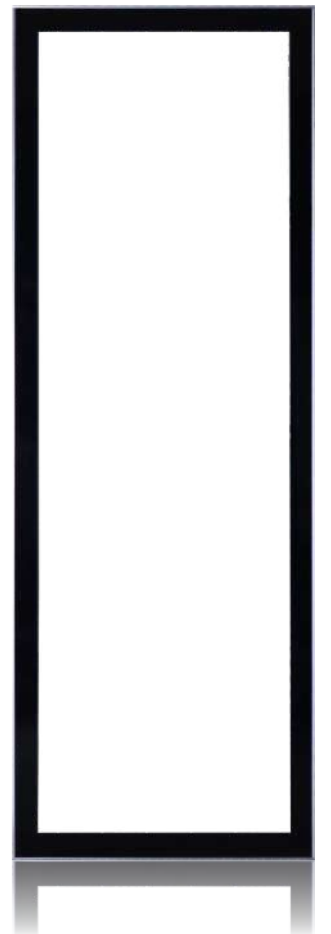

✓ Display Freezers

Frameless Glass Door

Features

✓ 2 Layers of Tempered Glass (For Coolers 2 ~ 8 °C)
✓ Frameless Design
✓ Magnetic Door Seal

Options

✓ Glass Color: Brown
✓ Custom Material & Style for Door Frames
✓ Full-Length Recessed Handle

## Applications
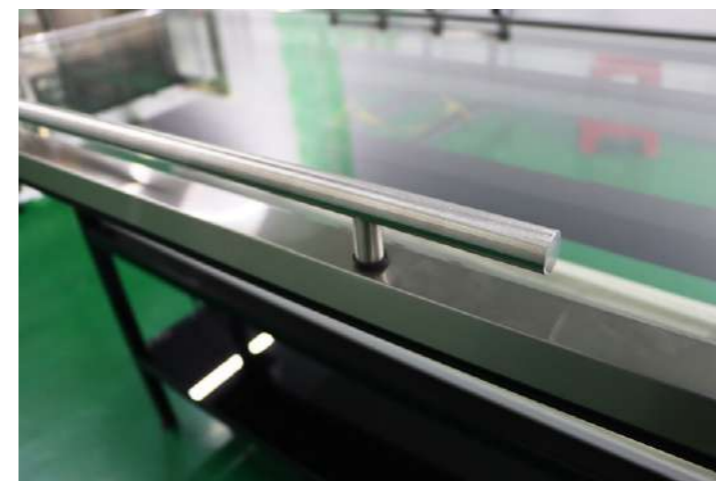

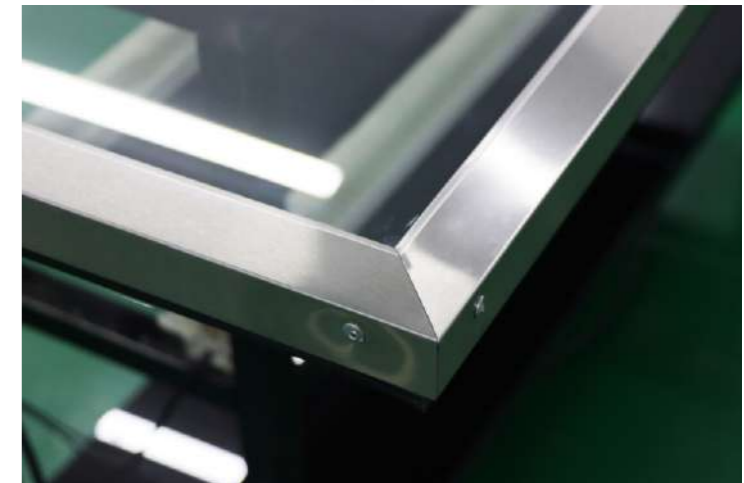

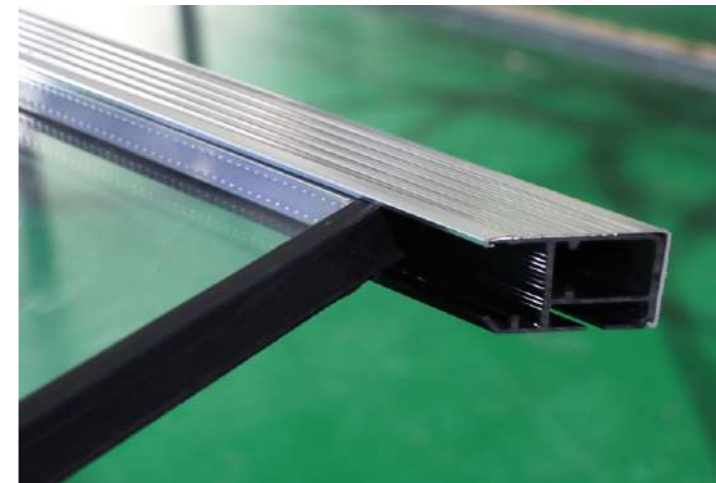

✓ Display Coolers

Metal Frame
Glass Door

Features

✓ 2 Layers of Tempered Glass (For Coolers 2 ~ 8 °C)
✓ Stainless Steel 304
✓ Magnetic Door Seal

Options

✓ Stainless Steel Frames / Aluminum Alloy Frames
✓ Seamless Stainless Steel
✓ Custom Door Handle

Applications

✓ Display Coolers

PVC Frame
Glass Door

How to Get a FREE Quote

① Advise your order quantity.

② Send us the drawing, which should include the below information and requirements:

Dimensions - Including the length, width and height, and thickness of the glass door and other door components like a door hinge, handle, gasket, etc.

Materials - Such as metal (stainless steel SS304, aluminium alloy, etc), plastic (PVC, ABS, etc) glass (ordinary glass, tempered glass, low-E glass, heating glass, etc).

Technical Requirements - Including process requirements like engraving, assembly requirements, and positive and negative tolerance requirements.

③ After getting your drawing, we will calculate the cost for you.
